DONOR/GRANTS COORDINATOR

From Dave Davis
Board Chair 2014-2015

2014 was another year of tremendous growth for the Pasadena Community Foundation. 2015 is proving to be the same. We are pleased to share some key highlights:

— 2014 —
PCF reaches
$50 million in assets - a growth of 72% over the past five years.

— 2015 —
Since 1996, Friends & Fellows have contributed more than
$4.6 million to the Foundation — directly supporting PCF’s local grant making programs.

— 2014 —
PCF awarded over
$5 million in grants to nonprofits in the Pasadena community and across the country.

— 2014 —
We worked with donors to establish
21 new charitable funds and as of June 2015, we have established 6 more. This brings the total number of charitable funds under PCF’s stewardship to 300.

— 2014 —
PCF’s Legacy Society added
8 new members to the roster of those who have made a provision in their estate plan for a future gift to the Foundation; an additional 3 donors have let us know of their intentions regarding a planned gift as of June 2015.

And finally, PCF is excited to launch our Be 1 In 100 Campaign. Over the years, our Endowment Builders have created 75 named funds. These generous individuals and families have enabled PCF to award over $500,000 in each of the last two years to 65 diverse nonprofits in the greater Pasadena area. If we can increase the number of our Endowment Builders to 100, this will dramatically support our goal to reach $1 million in annual grants to qualified local charitable organizations.

WILL YOU BE 1 IN 100?
The Fefferman Award Committee is pleased to announce that the Dr. Robert Fefferman Award for Excellence in Math and Science Education will become an annual award to benefit Pasadena Unified School District (PUSD) math and science teachers and students. The Pasadena Community Foundation will continue to manage this charitable program.

During this pilot year, PCF worked with the anonymous donor to create a sustainable and impactful award program. This spring, the $50,000 award was allocated as follows:

Mr. Lewis Watson, a mathematics teacher at Marshall Fundamental High School, received a $25,000 check for unrestricted personal use. Two graduating seniors from Marshall, Krikor Ailanjian and Caolan John, will each receive a $5,000 college scholarship for outstanding academic performance in math or science. Marshall itself received $15,000 for the purchase of sophisticated calculators for students in high-level math classes; a document camera; Pasco Sparklink interfaces; and motion detectors. This equipment will allow students in science classes to measure data which they can then use their math skills to analyze. Math teachers like this because it builds on cross-curricular collaboration.

Robert Fefferman is the Max Mason Distinguished Service Professor of Mathematics at the University of Chicago. His work includes research mathematics, teaching, and service to his University and to the community at large including the Chicago Public Schools. He is an inspiration to many, including the donor who named the fund in his honor.

For more information, please visit FeffermanAward.org

$50,000 FEFFERMAN AWARD BENEFITS MATHEMATICS AND SCIENCE TEACHERS AND STUDENTS.

Michael Schneickert joined the PCF Board in 2011, serving with great enthusiasm and passion. Committed to the work of the Foundation, Michael believed strongly in the power of endowments to make a long-term impact. As chair of the Finance Committee, he was an advocate for prudent stewardship of the many endowments PCF holds to ensure the funds continue to grow each year.

In 2007, Michael and his wife, Karen Otamura established The Schneickert-Otamura Endowment. Since that time, the couple made contributions to grow the fund that generates annual distributions to support PCF’s discretionary grants.

Michael tragically passed away on July 1st of this year. He is deeply missed by his family, friends and everyone he worked with at the Pasadena Community Foundation. Michael’s wife Karen has asked that memorial donations be made to their fund that remains a legacy of his love for Pasadena. Donations can be made directly by going to pasadenacf.org
When Denzel turned 6, he moved in with his grandparents, as his mom had been struggling. They enrolled Denzel at the Boys & Girls Club in Pasadena so he could play with other kids. The timing turned out to be perfect.

In 2002, the same year Denzel joined, the Boys & Girls Club made the decision to shift focus and introduce kids to computer technology so they could learn skills crucial to success in school and in life. Lacking the funds to create a Technology Center, the Club reached out to the Pasadena Community Foundation which responded with a $50,000 grant.

Denzel is a bright kid, and when he discovered the new Technology Center, he found something at which he could truly excel. “We did not have computer or internet access at home, so the only place I could learn about technology was at the Club.” Spending hours each week, learning how computers could help with schoolwork, he became a top student. Denzel is now a sophomore at Cal State Monterey, majoring in Business and Graphic Design, and he’s doing great. “Looking back, I realize the Boys & Girls Club gave me the confidence and skills I needed to succeed at school,” says Denzel gratefully. And he still stops by the Club when he is home for the summer to talk with staff and the kids who currently enjoy the benefits of the Center.

The Pasadena Community Foundation has been a long-time supporter of the Boys & Girls Clubs of Pasadena, awarding over $500,000 in grants since 1954. PCF has helped provide the Clubs with dozens of improvements, including playground equipment, roof repairs and a new gymnasium floor. In 2014, the Club was awarded a $25,000 grant to remodel the kids’ bathrooms.

The Boys & Girls Clubs of Pasadena do an extraordinary job helping kids in the area, and as a result, there are hundreds of success stories like Denzel’s. The Club is a great example of the kind of local organization that makes Pasadena a stronger community, with the help of the Pasadena Community Foundation.
During 2014 and 2015, the Pasadena Community Foundation awarded a total of over $1 million in discretionary grants to over 65 Pasadena area nonprofits. Funding for these grants is generated directly by the 75 Endowment Builder Funds established by donors to support the wonderful work done by these local organizations.

Ella C. Price Endowment for Disabled Children
Bill & Betsy Rawn Endowment for Seniors in Need
Truman’s Touch Endowment

YOUTH
Rebecca R. Anthony Endowment for Needy & Underprivileged Youth
Loretta Glickman Endowment for African American Youth
Ralph & Margaret Norrington Endowment for Youth
Mitzvah Endowment

JIM & PRISCILLA GAMB ENDOWMENT FOR HEALTHCARE

Jim and Priscilla Gamb have built a rich life together. They share several passions including family, education, healthcare and Pasadena.

Priscilla grew up here and attended Pasadena public schools. Recently retired as Director of Volunteers at Huntington Hospital, she has vast volunteer and Board experience and was elected to PCF’s Board in 2015.

Jim remembers, “I fell in love with Pasadena 50 years ago while driving up Orange Grove to Priscilla’s home above the Rose Bowl.” Jim spent his career in the investment business and used his significant financial expertise in service to various education and healthcare organizations. He also served on the PCF Board for ten years.

“We chose to dedicate our endowment to healthcare as a way to support the work of the foundation in this vital area, and to say thank you for the benefits to our family over the years.”
Building Hometown Legacies...for the place you call home.
Unrestricted named endowments support the grant making programs of PCF.

BOB & ARLENE HARDER ENDOWMENT FUND

“Giving is something we always did,” says Arlene Harder. “My husband Bob and I felt incredibly grateful and blessed for all that we have, and it was important we give a portion of our income to people less fortunate.”

For years, Bob and Arlene provided funding to several large national organizations. However, they were concerned their donations were not making a meaningful impact in the lives of people who most needed help.

Arlene spoke with her attorney, Karl Swaidan at Hahn and Hahn, who suggested that PCF could help maximize her philanthropic goals. Arlene did some investigating and discovered that PCF had been a strong supporter of a number of vibrant nonprofits in Pasadena since 1953.

In 2014, after Bob’s passing, Arlene set up the Bob & Arlene Harder Endowment to support local nonprofits and make a lasting, genuine impact on the community.

Dottie Nelson spent a significant portion of her working career making a difference in the lives of people in the local community. That time included 12 years as CEO at Villa Esperanza, a nonprofit organization devoted to the care and education of disabled children and adults.

Dottie and her husband, Byron, wanted to find a way to give back to Pasadena when they retired. Dottie’s previous experience made her aware of the wonderful work being done by the Pasadena Community Foundation.

Dottie says, “It feels very good to know the endowment fund we established will go to help people in need in the community. I have confidence the PCF team will make sure our money gets to those organizations that need it most.”
Friends & Fellows make annual gifts to the Pasadena Community Foundation to provide unrestricted support to PCF’s local grant making programs.

Donors who contribute to endowment funds that support our discretionary grants are also recognized as Friends & Fellows.

Gifs received 1/1/2014 - 6/30/2015

LEVI TT
PAVILION,
PASADENA

One of the main goals of the Levitt Pavilion for the Performing Arts at Memorial Park in Pasadena is to make live music accessible to everyone, creating a stronger and better-connected local community.

With an annual program of an amazing 50 free concerts, the Levitt Pavilion is flourishing, and Memorial Park has become a vibrant hub of activity. However, the challenge had always been sound quality at the concerts, which was fair at best. In 2015, the Levitt Pavilion applied for funding from the Pasadena Community Foundation for the resources to improve concert experiences. PCF awarded the Levitt Pavilion a capital grant to purchase new speakers, which were recently installed.

According to Renee Bodie, Executive Director, Levitt Pavilion – Los Angeles & Pasadena, “With our new speaker system, the sound at Levitt Pavilion Pasadena has never been better, and our audience appreciates the difference. Thank you so much to the Pasadena Community Foundation for helping us create a beautiful experience under the stars for the enjoyment of the community.”

Beyond a diverse concert schedule, its popular intern program provides inspiration and motivation for high school students who dream of a career in music, as well as teaching them practical skills necessary to work in the industry — from marketing, to event production, to audio gear maintenance.

“With the new speaker system, the sound at Levitt Pavilion Pasadena has never been better...”
