CHOOSE THE TYPE OF ENDOWMENT YOU PREFER

Target the greatest needs: **Unrestricted Named Endowments** support PCF’s grant-making programs in the area of greatest need.

Endow your Passion: **Restricted Named Endowments** support PCF’s grant-making programs in the areas of interest you choose (Arts, Education, Environment, Health, Human Services and Youth).

WHY BECOME AN ENDOWMENT BUILDER?

- **You’ll “Be 1” for Pasadena:** Join a group of philanthropists committed to shaping tomorrow’s Pasadena.
- **Local Impact:** Grants generated from your endowment remain here in the community.
- **Affordable commitment:** For as little as \$10,000 (paid in full or over time), you create a permanent charitable legacy.
- **Simplicity:** Paperwork is minimal, and once your fund is established, PCF assumes administrative and record keeping duties.
- **Tax Benefits:** Setting up a charitable fund through PCF gives you maximum tax benefits.
- **Dedicated stewardship:** PCF has an impressive track record of investing and growing charitable funds. The foundation currently manages 340 funds and \$80 million in assets.
- **Power of Endowment:**
Endowments are truly the gift that keeps on giving. The corpus of your fund is invested in PCF’s portfolio and grants are made annually; eventually far more than your original gift is distributed.
