**Part V, line 4:**

Certain unrestricted net assets have been designated by the Board of Directors to be maintained as quasi endowment fund for granting purposes. Generally accepted accounting principles provide that when the governing body of an organization, such as a community foundation, has the unilateral power to redirect the use of donors' contributions to another beneficiary, such contributions must be classified as unrestricted net assets. The Board of Directors of the Foundation has such power (variance power). However, the Board of Directors would exercise this authority if the stated purpose of a contribution is no longer applicable and incapable of fulfillment. It is the expressed intention of the Foundation to honor the designations of the donors. For purposes of complying with net asset

**Part XIII** Supplemental Information *(continued)*

accounting, this fund is included in unrestricted net assets at December 31, 2018.

Part X, Line 2:

The Foundation is exempt from taxation under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d.

Generally accepted accounting principles provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Foundation in its federal and state exempt organization tax returns are more likely than not to be sustained upon examination. The Foundation returns are subject to examination by federal and state taxing authorities, generally for three and four years, respectively, after they are filed.
