

Join Pasadena Community Foundation's Family of 140 Endowment Builders

The "forever gifts" established by **Pasadena Community Foundation's Endowment Builders** provide vital support to local nonprofits. They enable PCF to make versatile grants to long-standing agencies and new organizations, as well as meet urgent needs when they arise, such as COVID-19 relief funding.

Three Easy Steps to Become a PCF Endowment Builder:

1. Pick your passion

Designate your investment to one or more of PCF's areas of interest: Arts & Culture, Community & Economic Development, Environment & Animal Welfare, Health & Safety, Human Services, and Youth & Education. Or, create an unrestricted endowment to provide flexible support for PCF's grantmaking.

2. Name your endowment

Memorialize a loved one who has passed, mark an important milestone, or create an endowment to "pay it forward."

3. Make your gift

Establish your fund during your lifetime or through your estate plan. It takes just \$10,000 to start an endowment with PCF (or two payments of \$5,000 over two years).

In 2021 PCF's 140 Endowment Builders generated **\$1.2 million** in grant funds, supporting:

- 100 local nonprofits
- Scholarships to 50 students
- Mobile vaccine clinics targeting hard-to-reach, hesitant populations
- Pandemic relief funding to 14 arts organizations
- New Racial Equity and Animal Welfare Programs
