Funding affordable housing projects provides homes and transforms lives.

Salvation Army Hope Center groundbreaking, October 2021

For 70 years, PCF has responded to the changing needs of our community. Today, one of the most challenging issues facing the greater Pasadena area is the lack of affordable housing.

PCF is committed to responding to this crisis by partnering with the City of Pasadena and community organizations to expand the number of units of safe, affordable housing for low- and moderate-income individuals and families.

“ The impact that Pasadena Community Foundation has had on affordable housing in Pasadena is significant. It takes all kinds of housing to meet the needs of residents and for communities to thrive. Through their work, PCF has shown its commitment to provide permanent supportive housing, a vital part of the housing ecosystem. ”

Executive Director Bryan Wong, SGV Habitat for Humanity

PCF values community collaboration.
Join us in building housing-secure futures
for our neighbors.
